## SKILLS

Data Structures

Database Systems

Systems Software

UI/UX Development

UI/UX Design

Unity

Ren'Py

SQL Server

Eclipse

Microsoft Office

Visual Studio

Unreal Engine 4

SharePoint

Adobe Acrobat

Windows

C#

Java

JavaScript

CSS

HTML

Python

ASP

ReactJS

SQL

## WORK EXPERIENCE

### Palace Acquire Program - Computer Scientist Department of Defense

07/2019 - Present

Robins AFB, GA

*Achievements/Tasks*

- Implemented changes to the organization's website in order to fix pre-existing errors regarding HTML and CSS code issues that have been around since initial development of the website.
- Attended training regarding a new software that will be implemented into the organization in the near future. This was followed by extensive research regarding programming languages and practices required to fully utilize the new software once it becomes integrated with the organization's current data.
- Provided input regarding the development and maintenance of front-end interfaces and databases for applications and websites pertaining to the organization's mission.
- Maintained Government Security Clearance

### Premier College Intern Program - Computer Scientist Department of Defense

05/2018 - 08/2018

Robins AFB, GA

*Achievements/Tasks*

- Implemented SharePoint website Wiki pages, restored functionality, and optimized folder structure for key missiles and weapons engineering processes.
- Performed rapid improvement on travel request process for all 150 people across the entire Armament Sustainment Division, yielding 600+ hours annual manpower savings.
- Applied programming skills to create a form with Adobe Acrobat with simplified functionalities, improving upon current process of employee travel form entry.
- Explained complex processes and presented solutions to organizational leadership and engineering technical team.
- Combined the multifaceted aspects of software programming development capability with change management and human learning.

## EDUCATION

### Master of Science in Software Engineering Kennesaw State University

08/2020 - 12/2021

4.0 GPA

### Bachelor of Science in Computer Science Georgia Southern University

08/2015 - 05/2019

3.22 GPA
